

FLOWER VALLEY ELEMENTARY SCHOOL PTA

Your School, Your PTA, Your Money, Your Way.

Help us plan next year's fundraisers by completing this survey and returning it to the school by Tuesday, March 23rd, so we may report back to you. If you have questions, please contact Christine Barbour (Christine_barbour@verizon.net). Thank you.

PTA Budget

The school and the PTA need to earn \$25,000 to maintain current operations.

School support includes teacher and staff allowances for classroom supplies, patrol fund, field day, student subsidies, staff appreciation, cultural arts assemblies, 5th grade promotion, science fair, talent show, international night, back-to-school picnic and more. PTA administrative expenses include supplies and copying as well as insurance.

Now you choose the fundraisers for 2010-2011. Please keep in mind that many of the "fundraisers" are more about the fun and we are happy if they breakeven.
